

Used for Dietary & Nutritional Supplements

Example #4

CERTIFICATE OF FREE SALE

TO WHOM IT MAY CONCERN:

The Food Safety Program of the Washington Department of Agriculture, the agency responsible for enforcement of the Washington Food, Drugs and Cosmetics Act, Chapter 69.04 RCW, and the Washington Food Processing Act, Chapter 69.07 RCW, hereby certifies:

That the products manufactured/exported by: Licensee Name  
Licensed Site Address  
Site City, State, Zip Code U.S.A.

- have been prepared in a plant which is licensed, inspected by, and has been approved by this department;
- that to the best of our knowledge, the products contain no harmful constituents and are fit for human consumption.
- We certify that the goods are freely sold in the United States of America.

- This certificate is not intended to endorse the effectiveness or support any medical or health claims concerning these products, only that they were manufactured in a facility that is under license and under sanitary inspection by this department.

Description of the product and additional information given by the manufacturer/exporter:

Sincerely,

FOOD SAFETY, ANIMAL HEALTH AND CONSUMER SERVICES DIVISION
